

Knife grinder with belt arm and extract disc

852201041

Slibex knife grinders - Slibex 150 GB

KEF grinder for grinding of knives.

Developed in co-operation with knife grinding specialists.

Well suited for use in large kitchens, butcher shops etc. where well-sharpened knives are a necessity.

The belt is running as the arrow shows.

The disc on the left side is an extract disk.

The belt arm can be adjusted in different working positions!

- Total encapsulated motor
- Adjustable tool rest
- Lockable safety switch with emergency stop
- 2 Water containers cooling
- Self-lubricating bearings.
- For normal hobby use.

Ideal for grinding of hobby tools and maintenance of household appliances.

Built on the same principles as the KEF professional workshop machines.
